

# The Wild Hunt (c)Emerald Rose 2014

## Verse

**B**                      **Am**  
Lock the doors and bar the gates

**Em**                      **Bm**  
Crack your shutters for a glance

**Am**                      **Em**  
But keep your talisman at hand

**G**                      **D**  
The Wild Hunt rides tonight

**B**                      **Am**  
Whirling leaves around the cairn

**Em**                      **Bm**  
The horn will sound, the Hunt begins

**Am**                      **Em**  
The Spectre's howl will freeze your heart

**G**                      **D**  
The Wild Hunt rides tonight

## Chorus

**Em**                      **Bm**  
See us ride on the whirling winds

**G**                      **Bm**  
Called back from death we've shed our skins

**Am**                      **Em**                      **B**  
To hunt the souls of winter once again

**Em**                      **Bm**  
Lightning cracks and ghost hounds bay

**G**                      **Bm**  
None shall bar the Huntsman's way

**Am**                      **Bm**                      **Em**  
Give the dead their due or be their prey

## Verse

**B**                      **Am**  
Fair and terrible the host

**Em**                      **Bm**  
That rides across the dusky moor

**Am**                      **Em**  
Heroes of a distant age

**G**                      **D**  
The Wild Hunt rides tonight

**B**                    **Am**  
Peasant caught upon the road  
**Em**                    **Bm**  
Your life shall take a turn tonight  
**Am**                    **Em**  
Will you perish, will you rule?  
**G**                      **D**  
The Wild Hunt rides tonight

## Chorus

## Bridge

**G**                      **D**  
Honor to the Huntsman  
**G**                      **D**  
Honor to the Host  
**G**                      **D**  
Honor to the Mystery  
**G**                      **Am**                    **Em**  
That fills the sky with ghosts upon this wintry night  
(Instr)
